

2 day Advanced Seminar for Skin Therapist International SkinCare Clinic & School Switzerland

The Best Skin Treatment Ever: **KNOWLEGDE**

London, 22-23 March 2009

Early Bird Save 20%

International Speaker - Marco Guidetti, Clinical and Naturopathic Skin Care Therapist
SKINCARE CLINIC & SCHOOL – SWITZERLAND

Knowledge is Power and Power is Priceless

"In this highly competitive world of skincare, nothing is more powerful than a well-trained and well-educated skincare therapist."

All our seminars are NOT oriented on specific product, brand or line

The two days of seminar cover all the information necessary for the Modern skincare treatment. Here follow a brief description, please feel free to contact us for any questions regarding the seminars.

Now, more than ever, your clients deserve the best you can give them.

The abundance of internet information is confusing and conflicting, leaving clients totally helpless when it comes to choosing the right product for the right problem.

Challenge yourself to be the best, the most knowledgeable skincare therapist out there!

We guarantees that you will learn to apply knowledge, that will result in a 400% increase in you retail sales and services!

Day one

skin structure
skin and body aging
free radical aging and disease
enemies of the skin: UV rays, pollution, toxic compounds (heavy metals & solvent) parasite, fungus
the "Petri dish" theory of skin nutrition
prevention of skin and muscular aging
combination of natural health remedies and the modern skincare (acupuncture, shiatsu, detoxification, fasting, juice fasting, far infrared therapy, oxygen therapy, chelation, and more).
growing our knowledge from old "wrinkle" definition to cellular aging
scientific treatment for sun damaged tissue (cellular aging treatment)
classification of the genetic skin type and appropriate treatment for each one
classification of sun damage using R. and G. scale
skin analysis using woods' lamp
skin analysis using digital microcamera and infrared camera
use of antioxidant in prevention and correction of skin treatments
peels. The long history of skin peels from Ancient Egyptians to Modern Age
peptides, a deep look to the "key molecule"

Day two

practical skin analysis of "normal" skin
practical skin analysis of sensitive skin
skin analysis of pigmentation
skin analysis of acne
exfoliation & peels, MG scale of skin peels
use of micro-exfoliation (modern microdemabrasion)
micro-exfoliation in combination with non toxic natural acid peels
putting all together: creation of the modern treatment plan

Cost of the seminar:

£ 390.00

Please note: if you book for the Clinical Therapist Course, before 17 / 01 / 2009
you will pay 20% less.
